

CORONA STEEL INC

Serving Washington & Oregon since 1991

MBE CERTIFIED

We demonstrate our dedication to the Pacific Northwest with our commitment to integrity and reliability!

- Our work force is 100% union.
- We have retained almost 100% of our core crews over the past 13 years.
- Our employees take pride in doing a quality job - the first time.
- Our combined experience enables us to handle any project with the utmost efficiency.
- Ownership is on the union apprentice board.
- Our main goal is to have an injury free workplace.
